MISSION STATEMENT

To work collaboratively with stakeholders to promote North Mayo and its hinterlands as a year-round tourism destination, showcasing its culture, heritage and natural landscape, and supporting the development of new experiences in an ethical, sustainable manner, to best benefit the region and its people.

We work with the support of Mayo County Council, Moy Valley Resources IRD and Ballina Chamber of Commerce and Tourist Office. Join us on the road to recovery in 2022, in a collaborative marketing and PR campaign to attract more visitors to the area, helping the local economy to recover and grow, and building a sustainable future for the next generation in rural Ireland.

SO FAR, WE HAVE ...

- Developed a destination brand identity & website, mayonorth.ie
- Grown a 42K-strong social media following across multiple channels
- Created North Mayo maps and brochures to guide tourists around the region
- Developed strong video content promoting the region
- Held networking and training events and seminars for the local tourism industry
- Gained media coverage for the area on TV, print, radio, online and consistently generated positive publicity for the region
- Developed, supported and promoted festivals and events in Ballina & North Mayo
- Built strong partnerships with Mayo County Council, Fáilte Ireland & other agencies
- Attended trade fairs promoting the region to tour operators
- Planned and delivered media & tour operator familiarisation trips
- Developed a quarterly e-zine promoting the area to 5,000+ subscribers

We believe that if everyone gives a little, together we can achieve a lot; and the more visitors we can attract to our area, the more all our local businesses will benefit as a result.
